

# **DRESS CODE POLICY**

## **KEISER UNIVERSITY, KENDALL CAMPUS**

### **PURPOSE:**

Keiser University maintains a 'business casual' dress policy, and has established guidelines for students regarding appropriate dress, grooming and personal hygiene. Students are expected to maintain an appearance that is appropriate to the school and work situation. All faculty and staff enforce the dress code.

### **KU CATALOG POLICY:**

"Proper professional dress and appearance create the first impression upon which an employer would evaluate a candidate and therefore, professional dress and appearance are expected at the University. Each student must maintain proper personal appearance and wear approved dress."

"Students displaying inappropriate dress after warning may be asked to leave the classroom to change. Students will be readmitted upon displaying appropriate attire. Keiser University firmly believes that the development of proper work habits will assist students in obtaining their career objectives and that professional dress will elevate the general level of professionalism in the classroom, thereby enhancing the educational experience."
